The Honorable Assembly Member,  
State Capitol  
Sacramento, CA 95814

Please list Child & Family Protection Association as **OPPOSED** to AB 1057 as amended 4/20/23.

AB 1057 is an unnecessary and redundant creation of a program that is already available to new parents and newborns.

Furthermore, AB 1057 will set a precedent of state supervision of parents' care over their children.

For these reasons, we must oppose AB 1057.
